

The Midwest-Great Lakes SER Chapter is seeking sponsors for our twelfth Annual Chapter Meeting that will be held March 27 to March 29, 2020 at Acacia Reservation in Lyndhurst, Ohio. The Midwest-Great Lakes SER Chapter is a regional SER chapter that serves the seven state region of Ohio, Indiana, Michigan, Illinois, Wisconsin, Minnesota, and Iowa. Our Annual Meetings have become known as excellent and exciting venues for ecological restoration. Our past eleven Annual Meetings have attracted between 98 to 233 attendees from 25 states (all seven chapter states and California, Colorado, Georgia, Kansas, Kentucky, Maryland, Mississippi, Missouri, Nebraska, New Jersey, New York, Nevada, Pennsylvania, South Dakota, Texas, Utah, Virginia, West Virginia), Ontario (Canada), Quebec (Canada), and Bogota (Colombia) for this three day event. The typical structure of our meeting included poster session/sponsorship reception, keynote address, one to two plenary sessions, three to four concurrent oral presentation sessions, workshops, symposia, a business meeting, and offsite field trips. Please see the Chapter webpage (<http://chapter.ser.org/midwestgreatlakes/>) for more information about our past and current activities.

Our meeting theme is *Restoring Landscapes – Renewing the Spirit* and our primary goal for the meeting is to highlight how restoration of terrestrial and aquatic ecosystems can go beyond the expected ecological benefits and promote hope and community revitalization. Our secondary goal is to bring together all who are interested in ecological restoration and contribute to advancing the field of ecological restoration. Our meeting agenda will be similar to our past seven meetings and will include technical presentations, social events, workshops, and field trip
