

## REGISTRATION RATES FOR 2022

We encourage everyone to register early to receive **Early Registration** prices and the deadline for receiving these rates is **March 22, 2022**. Those who register from **March 23, 2022 to March 29, 2022** are eligible for **Late Registration** prices. As part of our COVID-19 safety protocols there will not be an option to register in-person at Manakiki Reservation. Please note that new for this year is that we are offering a virtual only registration price for the March 23, March 25, and March 28, 2022 virtual session sessions and we are offering a combined virtual and in person registration price where those who register for one day of the in-person component of the meeting receive a free access to the three virtual sessions and free access to Sunday Field trips. Additionally, we encourage everyone to register early because we cannot guarantee that we will be able to provide late-registrants for the in-person sessions with tickets for continental breakfast and boxed lunch on Friday April 1, 2022 and Saturday April 2, 2022.

Registration costs for the virtual component covers payment for all three virtual sessions. Registration for the combined virtual and in-person registration rates provide free access to the three virtual sessions, payment for all scheduled events and meals on Friday April 1, 2022 and/or Saturday April 2, 2022, and free access for Sunday's offsite field trips.
